My dear Mr. Sackett:

For a number of years the Bureau of Labor Statistics has attempted to maintain a file of all union agreements in force throughout the United States. On checking through our files we find we do not have copies of any agreements entered into by your union. We are exceedingly anxious to have your agreements among our records and should appreciate your cooperation in sending us copies of them together with the information requested below.

If you have only one copy available and so designate, we shall be glad to type a duplicate and promptly return the original. If you so indicate, we shall keep the identity of the agreement confidential, using the materials only for general analysis, which will not reveal the name of your union.

The enclosed envelope for reply requires no postage. If we can be of service to you at any time, please write me.
